Continuing Professional Development – Tauranga, 14 August

Good Communication and Record Keeping – a back2basics overview for the contemporary chiropractor

A Chiropractic Board CPD seminar on communication and record keeping will be held in conjunction with the August 2009 Board meeting in Tauranga.

Date and Venue

Friday August 14, Trinity One, Sebel Trinity Wharf Hotel, Tauranga.

Timetable - seminar and meeting with Board members

3.00 Coffee and introductions.

3.20 Dr John Loveday:

The problem with communications and record keeping (lessons from the Board's experience with complaints). Outlining the obligations of practitioners to the Board and third party payers.

3.35 Dr Stefan Pallister

Good communication and record keeping theory. A review of record keeping best practice.

4.00 Dr Lloyd Buscomb

Record keeping workshop – working within the realities of a chiropractic practice. One practitioner's approach to record keeping and handling the time limitations of a modern chiropractic practice.

5.10 Ms Sue Ineson

Informed consent and open disclosure from a public and patient point of view.

5.25 Dr Sandy Bansal

Concluding remarks

5.30 Seminar participants are invited to join the Board and local chiropractors to discuss issues currently before the profession.

Please contact the Board CEO if you will be attending, email karl.bale@chiropracticboard.org.nz.
